Skills

Technical Skills:

- Integration Testing, Widget Testing, Unit Testing
- Performance Optimization
- ERP
- API Development & Integration (GraphQL, REST API)
- ERP Implementation
- CI/CD & Version Control
- Version Control (Git, GitHub, GitLab)
- Development Tools & Technologies:
- Flutter (including Flutter Web)
- State Management: Bloc, GetX, Provider, Riverpod
- Local Storage: Hive, Shared Preferences
- Tools: Jira, Postman
- USB Printing Integration

Interpersonal Skills:

- Team Coordination
- Agile Development Methodology
- Practical & Positive Attitude
- Dedication Towards Work
- Eager to Learn New Technologies

About me

Dedicated Flutter Developer with 3+ years of experience in designing and developing cross-platform mobile applications for Android, iOS, and web. Proficient in Dart, Firebase, and RESTful APIs with hands-on experience in UI/UX design, state management, and backend integration. Skilled in CRM, ERP, software testing, and database management, ensuring scalable and high-performance solutions. Demonstrated ability to work independently as well as in team environments, with experience in Agile methodologies and remote team collaboration.

Experience

Flutter Intern

Jan 2022 - April 2022

NestorBird Ltd (Mohali)

- Created **Flutter apps for Android, Web App & iOS**, Home Services applications.
- Integrated essential plugins for Android and iOS platforms—including Material/Cupertino components, HTTP, Geocoding, and Location—to enhance app functionality.
- Developed a suite of Flutter applications for customers, sellers, and professionals, implementing user authentication, booking systems, and communication channels.
- Ensured smooth backend integration with Firebase and REST APIs.

Associate Flutter Developer

April 2022 - Jan 2023

NestorBird Ltd (Mohali)

- Created **Flutter Web App** from scratch.
- Developed an Admin Panel and implemented features like push notifications, QR scanning, and more.
- Gained a strong understanding of both BLoC architecture and Provider state management for scalable app development.
- Collaborated closely with backend and QA teams to ensure high product quality, performance, and maintenance.

Flutter Developer

Jan 2023 - FEB 2024

NestorBird Ltd (Mohali)

- Integrated Firebase for real-time data synchronization, ensuring up-to-date information across platforms.
- Managed transaction processing, inventory tracking, and sales reporting for small businesses, streamlining operations and boosting efficiency.
- Developed a POS application for mobile devices and kiosk systems, enabling effective transaction management.
- Integrated **USB printing functionality** for on-demand receipt and invoice printing, further enhancing the POS system's operational efficiency.
- **App Link -GetPOS (available on [Google Play](#)) and Rockerz (available on [App Store](#))**

Education

Master of Computer Applications (MCA)

2022 - 2024

Maharaja Agrasen Institute of Management and Technology (MAIMT), kurukshetra University (KUK), Yamuna Nagar, Haryana

Bachelor of Computer Applications (BCA)

2019 - 2022

Mukand Lal National College (MLN), kurukshetra University (KUK), Yamuna Nagar, Haryana

Achievements

Awarded as an Outstanding performance of the Year in 2024 at NestorBird.
